Etiquette

Etiquette covers both courtesy and priority on the course as well as care for the course.

1. Avoid moving or talking when other players are playing their shot.
2. Ensure the group in front of you is clear before you play.
3. Always play without delay. If a player in your group is unable to reach the group in front with their next shot, they should play first. Leave the putting green as quickly as possible after holing out.
4. Mark score cards at the next tee. If you have the honour, tee off before completing the card.
5. Invite a faster group behind you to play through.
6. Respect the golf course by:
   a) Replacing divots anywhere on the course.
   b) Raking all footprints etc in the bunker.
   c) Placing rakes back in the bunker.
   d) Correctly repairing any pitch marks on the green.
   e) Replacing the flagstick correctly.
   f) Do not take your trundler onto tees, greens or between the bunker and the green.
7. Players should be fully conversant with the RULES OF GOLF. Free copies are available.
8. A tidy standard of dress is required at all times. Singlets and jandals are not to be worn on the course.
9. Shoes worn on the course should not be worn in the clubhouse.
10. Sharing of clubs is not permitted (hire clubs are available).
